### **Arlington Heights Playground Equipment Repairs 3 Quote Bid**

#### **ADDENDUM NO.2**

This addendum issued December 15, 2015 becomes in its entirety a part of the 3 Quote Bid as is fully set forth herein:

**Item 1:** Q. We would be able to provide comparable components abut as all equipment manufacturers have different products they will not be exact. Our decks are 11 GA but not Large Hole. We have an exact match for the stone climbers but it is called Bongo Steps (from a 36" deck). We have a Manipulative Planet Panel and can certainly come up with something to replace the abacus panel as we do not have one. Are these acceptable as "approved equal replacement parts"?

A. We do allow "Approved Equal". Once a Contract is awarded, the contractor will have to provide shop drawings and material specifications. Our Technical Staff has the decision to accept or reject the parts as "Equal".

**Item 2:** The proposal due date, time and location will remain unchanged December 21, 2015 at 1:00 PM, at the HACP Procurement Dept., 100 Ross St. 2<sup>nd</sup> Floor, Suite 200, Pittsburgh, PA 15219.
