**Bathtub Stripping and Refinishing Within HACP
Occupied/Non-Occupied Units
3 Quote Bid**

ADDENDUM NO.1

This addendum issued July 17, 2015 becomes in its entirety a part of the 3 Quote Bid as is fully set forth herein:

Item 1: **Q.** Regards this project, I've contacted numerous manufacturers, but none were aware of the following Specifications, mentioned in your docs:

- 1) 3 coats of a primer to 1 mil thickness
- 2) glass content ..

It appears that these specs may be for one proprietary manufacturer, so if you could furnish that name it would avoid chasing and guessing, and I could get their pricing?

A. No specific manufacture, the specifications remain the same.

Item 2: **Q.** I assume only one tub at a time is being awarded under this letter bid? And that the intent is not to award more than 5 tubs under this Quote Request? Otherwise its hard to know how to price in the startup costs as with this work the room equipment setup and EPA law compliance comprises 30-40% of the cost .

A. All work is performed by task order. Quantities or amount may vary with each request; however all time frames must be met per the scope.

Item 3: The proposal due date is changed to July 24, 2015, time and location will remain unchanged at 11:00 AM, at the HACP Procurement Dept., 100 Ross St. 2nd Floor, Suite 200, Pittsburgh, PA 15219.
