Copier Machines
RFP #850-07-17

ADDENDUM NO.6

This addendum issued July 12, 2017 becomes in its entirety a part of the Request for Proposals RFP #850-07-17 as is fully set forth herein:

Item 1: Q: There is an estimated copies of 100,000 listed for Machine No. 2. Can you please provide the breakdown of color copies v. black and white?

A: Machine No. 2 is listed as a "Basic Equipment Specification," it will only print B&W.

Item 2: Q: I am wondering if Housing Authority of the City of Pittsburgh is willing to offer another extension to the deadline for the Copier Machines RFP?

A: No.

Item 3: Q: An additional concern I have is in regards to Addendum No. 5. The estimated volumes on the requested devices dropped significantly. Does the Housing Authority still require devices that can print 90 pages per minute? This would require implementation of production level equipment and increase the price. Will you consider a drop to 65 or 60 ppm devices that offer all the same features and functionality?

A: Machine No. 1 will need to produce at least 90 pages per minute. Machine Nos. 2, 3 & 4 may drop to 65 ppm.

Item 4: The proposal due date, time and location remain unchanged at July 19, 2017, at 10:00 AM, at the HACP Procurement Dept., 100 Ross St. 2nd Floor, Suite 200, Pittsburgh, PA 15219.
