Exterior Cleaning and Painting at 2825 Murray Towers 3 Quote Bid

ADDENDUM NO.1

This addendum issued July 17, 2018 becomes in its entirety a part of the 3 Quote Bid as is fully set forth herein:

Item 1: **Q:** The apartment will be cleared out before we work, Correct? When we walked into the apartment during the fitting/measuring process and to observe the damage, our boots were immediately covered in soot. The debris are everywhere, no room for the installation.

A: We plan on having the unit debris, however the outside work can be performed from the outside

Item 2: **Q:** Should LorNat plan on placing tarps in the hallway, Correct? We do NOT want to track soot/dirt everywhere in the building as we work. My concern about tarps/plastic is a slip/trip hazard.

A: No need for tarps or any coverage, all outside work will be performed out side

Item 3: **Q:** I plan on taking only the debris away that I create during installation, Correct? This includes plywood, old/damaged windows and window parts.

A: The only installation is primer and paint, this contract has nothing to do with windows

Item 4: **Q:** I'm currently bidding at commercial prevailing rate, I'm assuming everyone else is bidding at that rate, Correct?

A: This a four story building, and all work perform under this contract will be prevailing wages, vendors can go on the Davis Beacon wage site to download wage determination forms

Item 5: The proposal due date time and location remain unchanged at July 25, 2018, at 10:00 AM at the HACP Procurement Dept., 100 Ross St. 2nd Floor, Suite 200, Pittsburgh, PA 15219.
