INSTALLATION AND TESTING OF PORTABLE CARBON MONOXIDE DETECTORS WITHIN HACP OCCUPIED UNITS

Quotes due March 2, 2015 10:00 am

Fax to Debbie Norkevicius at (412) 456-5007

Scope of Work

Contractor will install and assure proper test button operation only for each 4,351 detectors installed.

- HACP will provide all detectors and mounting hardware as needed.
- Contractor may have to pre-drill and may need sinkers and/or plugs (supplied by HACP)
- Contractors will be attaching mounting hardware to surfaces including but not limited to plaster, drywall and concrete.
- HACP will provide guidelines on the placement and spreadsheet quantity for each unit installation.
- HACP will provide proper access to any units not answering their doors.
- Residents will be properly notified of the schedule, access and installation.
- Contractor will not move any furniture or belongings.
- Contractor will follow a list of units, location, quantities, and obtain tenant initials where possible of each installation.
- Contractor will have the resources to complete all unit installations within a 45 day period of scheduling call.
- Work area to be left in a clean and safe condition
- No debris to be place in HACP trash receptacles

**Please contact Debbie Norkevicius at 412-456-5000 ext. 8505 or at
Debbie.Norkevicius@HACP.org with any questions about the above scope.**
