Professional Environmental Services RFP#600-10-12

ADDENDUM NO.2

This addendum issued April 4, 2012 becomes in its entirety a part of the Request for Proposal RFP#600-10-12 as is fully set forth herein:

Item 1: The original fee sheet is here by deleted and replaced with the revised fee sheet, which is provided as Attachment A, to this addendum.

Item 2: Q: Please confirm that evidence of certification as a DBE from PAUCP along with 8(a) certification through the SBA (or just one of these certifications) is sufficient for a firm to qualify as a MBE certified firm for the purposes of this solicitation.

A: To qualify as a minority-owned business, the business must be certified as an MBE by either the City of Pittsburgh, Allegheny County, Commonwealth of Pennsylvania or some other governmental entity whose certification is acceptable to Authority.

Item 3: Q: In the costing sheet, PLM Point Count shows fungi only, bacteria only, fungi & bacteria as options. These options do not apply to PLM Point Count analysis – should it be standard and rush TAT instead? Also is the PLM point count request 400 or 1000?

A: Please see Item 1. Please provide separate pricing for both 400 and 1000 PLM point counting and it will be at HACP's discretion point unit to select for a particular project.

Item 4: The proposal due date is revised to Friday April 13, 2012. The time and location, remain unchanged at 11:00 AM at the HACP Procurement Dept., 100 Ross St. 2nd Floor, Suite 200, Pittsburgh, PA 15219.

END OF ADDENDUM NO. 2
