ADDENDUM NO.6

This addendum issued December 31, 2015 becomes in its entirety a part of the Request for Proposals RFP#600-39-15 as is fully set forth herein:

Item 1: Q: On page 9 of 41 of the RFP, it is stated that proposals must provide adequate evidence of site control. Would you please elaborate on what would suffice as adequate evidence of site control for a parcel that is controlled by the Housing Authority City of Pittsburgh (HACP) and who at the agency would our organization need to contact to acquire this evidence?

A: A signed option agreement between the Owner/Developer and HACP for the "HACP controlled" property will suffice as proper evidence of site control. Owner/developers interested in seeking site control of a HACP property should submit a written request attention to the Chief Development Officer, Housing Authority City of Pittsburgh.

Item 2: Q: Would you please advise if there will be an extension of the submission deadline beyond the current date of January 5, 2016?

A: Yes, the proposals will be due on Friday, January 8, 2015 at 2:00 PM.
