Project Based Voucher Program 2013 RFP#125-25-13

ADDENDUM NO.1

This addendum issued Oct. 23, 2013 becomes in its entirety a part of the Request for Proposal RFP#125-25-13 as is fully set forth herein:

Item 1: Q: The project for which I am submitting vouchers is seeking PHFA funding, which likewise has a max rent calculation from which a utility allowance is deducted. But for PHFA, the utility allowance is provided for by my obtaining a quote for utility usage from a local utility company. Thus, my utility allowance is established annually by Duquesne Light. I wanted to know if I could use this same process with your Max Rent. Namely, take the "Max Rent if LL Paying All Utilities," and subtract my utility allowance provided by Duquesne Light?

A: No, you may not use the utility allowance provided by Duquesne Light. You must use the applicable Utility Allowance from the Utility Allowance schedules included in the RFP.

Item 2: The proposal due date, is revised to October 30, 2013. The time and location remain unchanged at 10:00 AM. at the HACP Procurement Dept., 100 Ross St. 2nd Floor, Suite 200, Pittsburgh, PA 15219.
