## **Project Based Voucher Phase 3 RFP#125-06-15 Phase 3**

### **ADDENDUM NO.8**

This addendum issued October 29, 2015 becomes in its entirety a part of the Request for Proposals RFP#125-06-15 Phase 3 as is fully set forth herein:

**Item 1:** Q: Is it possible to apply the HACP units to only part of a development? Our development includes new construction of a building with one and three bedroom units and the renovation of existing units of two and three bedroom units. The new construction will be accessible and we can provide accessible one and three bedroom units. Can we apply the HACP units only to the new construction part of the development? The total development is 49 units; 25 in the new building and 24 existing units to be renovated.

A: Yes, it is permissible for only a portion of the units in a project to have Project Based Voucher Assistance, and with some limited exceptions, not more than 25% of the units in a project can have Project Based Voucher Assistance. So in a non-senior project without other exceptions in a 49 unit project, 12 units can have Project Based Voucher Assistance.

**Item 2:** The proposal due date for Phase 3 is changed to November 24, 2015 and the time and location remain for Phase 3 remains unchanged at 9:00AM (Phase 3) at the HACP Procurement Dept., 100 Ross St. 2nd Floor, Suite 200, Pittsburgh, PA 15219.
