**Item 1: Q.** Should our submission reflect actual quantities taken in the field or as the specified within the documents? Specifically the driveway length measures 56' from face of house to sidewalk. Shall we include only an additional 10'-0" on the end to equal the specified 528 SF. The total existing parking/ asphalt area at the rear of the residence is approx. 760 SF when added to the driveway qty of 448 SF brings us to a project total of 1208 SF.

**A.** The driveway is 56' by 8' 448 sqft. The Driveway is being replaced only. The parking pad is not to be replaced.

**Item 2: Q:** Please clarify the retaining wall dimension of 36". It is my interpretation that we will have 12" of stone with 2' of back fill.

**A.** The wall height is 36" the stone back fill should be 12" and top soil should be 2'

**Item 3: Q:** Would like to verify that we will be going with a 4" thick drive & apron.

**A.** the driveway is to be 4" thick with no apron

**A.** 36" is the depth x 1' wide x 36' long

**Item 6: Q:** Install sub base 6" of 2a modified sub base and compact PaDot Type 2A crushed limestone? or Can PaDot Type 2A slag be used?

A. Use 2a modified for sub base of wall

**Item 7: Q:** Install new 36' x 36" retaining wall using Versa - Lok style block (let me know if the 36' is the length of the remove existing retaining wall?)

A. yes the existing is approximately 36'.

**Item 8: Q:** Backfill wall completely with 2b river gravel in depth behind wall add top soil and What is the depth?

A. 12" and add 2' of top soil

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- \* an existing published wage determination
- \* a survey underlying a wage determination
- \* a Wage and Hour Division letter setting forth a position on a wage determination matter
- \* a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations  
Wage and Hour Division  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.
