### SECTION III GENERAL REQUIREMENTS

An Offeror may be an individual or a business corporation, partnership, firm, joint venture or other legal entity duly organized and authorized to do business in the City of Pittsburgh, financially sound and able to provide the services being procured by HACP.

If an Offeror has been debarred, suspended or otherwise lawfully precluded from participating in any public procurement activity, such firm shall disclose that information in its offer, which may be sufficient ground for disqualification. If the selected firm fails to disclose such information and HACP discovers it thereafter, then HACP could terminate the contract.

Each Offeror must be in good standing with HACP, and any Federal, State or Municipality that has or has had a contracting relationship with the firm. If Offeror is not in good standing with HACP, and/or any Federal, State or Municipality this must be disclosed. If a Federal, State or Municipal entity has terminated any contract with an Offeror for deficiencies or defaults, that Offeror must disclose this information to HACP. HACP will consider such facts and circumstances during its evaluation of the Offeror's proposal. If the selected firm fails to disclose such information and HACP discovers it thereafter, then HACP could terminate the contract.

Offeror must have and maintain all necessary insurance to cover malpractice liability and workers' compensation and submit proof of it with their proposal submission
