Scope

As requested, removal of all snow/ice and salting of all driveways, parking lot areas, and where stated, steps and sidewalks.

- Contractor will supply all the necessary materials, labor & equipment required to plow and melt any amount of snow or ice
 - Contractor will supply at least 2 (two) telephone numbers where they can be reached in the event of an emergency
 - Plow and salt entire site when there is an accumulation of 3 (three) or more inches of snow
 - Salt entire site when there is an accumulation of 2 (two) inch or less of snow or when freezing conditions occur
 - In the event of overnight precipitation by 11:00pm, all driveways, parking areas, sidewalks and steps are to be cleared by 7AM
 - In the event of a snow fall during regular business hours, driving lanes will be plowed & salted as is necessary at regular intervals throughout the day
 - During any event, contractor should be aware of the elderly tenants with special needs within HACP high rises who may need to navigate at any time
 - All equipment is to be licensed, inspected & insured
-
- All salt is to be supplied on a bulk basis for plowed areas
 - Roads, drives, and lots are to be treated with salt
 - Sidewalks are to be treated with calcium
 - Contractor(s) will work for HACP to maintain snow removal and salting during the duration of any amount of participation.

ICE, 2010 cost with additional 5%

Cost per application for plowing and salting \$ 250

Cost per application for salting only \$ 115

Cost per application for calcium (sidewalk only) \$ 72

Cost per application of plowing \$ 145

Cost per application for Sidewalk clearing and application of calcium \$ 144
