Scope of Work

The Housing Authority of the City of Pittsburgh seeks proposals from persons or organizations able to provide a wi-fi mesh in and around the High Rise apartment building in Northview Heights Estates located at 533 Mt. Pleasant Road. The Offeror will be expected to:

1. Provide all needed hardware and supplies
2. Install the hardware and connect the hardware to an existing Comcast internet access device
3. Maintain operation of the mesh network. (The Comcast internet connection will be provided by the Housing Authority and will NOT be the responsibility of the Offeror)

The mesh should provide open wi-fi access for 802.11b, g, n, ac. The mesh should allow at least 20 connections to any single access point and at least 50 connections over the mesh. The mesh should provide 50mb bandwidth to the connected devices.

The mesh should provide coverage in four (4) areas, inside the Northview Heights Gym, inside the Highrise Lobby and Community Room, outside in the Northview Heights Playground, and outside at the Hazlett Street and Mt. Pleasant Street bus stop.

The attached Google Earth picture shows the locations of the listed above.

Location A (Star) – The Comcast internet connection is located in the Resident Council office on the first floor of the Highrise at roughly the location indicated by the star. The Highrise lobby and Community Room is also on the first floor of the building just inside the main building entrance seen just below the star.

Location B – is the Northview Heights gym.

Location C – is the bus stop at Hazlett Street and Mt. Pleasant Street.

Location D – is the Northview Heights Playground.
