## Natural Gas Inspection Program Authority Wide 3 Quote Bid

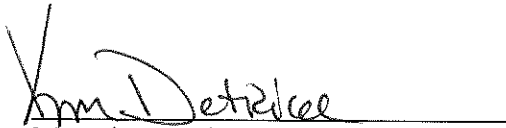

### ADDENDUM NO.2

This addendum issued January 22, 2019 becomes in its entirety a part of the 3 Quote Bid as is fully set forth herein:

- Item 1:** Q: What sort of “testing” is required as mentioned in the scope? It is a pressure test performed with air? Usually leak detection is done by walking along the lines with a gas odor detecting device.  
A: **Detection is done by walking along the lines with a gas odor detecting device.**
- Item 2:** Q: Will any of the work take place inside the buildings or will it all be outside?  
A: **Outside**
- Item 3:** Q: Will any leak repair work be offered to the winning bidder or will that be bid out at a separate time?  
A: **H.A.C.P have staff to make repairs. If it needs to go out it will be bid separately**
- Item 4:** Q: Will the winning bidder have access to the September 2018 finding report to compare information?  
A: **Yes**
- Item 5:** Q: Can you be more specific on the “locating” description? Does that consist of connecting to tracer wire?  
A: **Locations are our communities. There will be combinations of connecting to tracer wires curb boxes and risers and use of blue prints for locating lines with in the communities**

**Item 2:** The proposal due date is changed to January 29, 2019. Time and location remain unchanged at 11:00 AM, at the HACP Procurement Dept., 100 Ross St. 2nd Floor, Suite 200, Pittsburgh, PA 15219.
