Miscellaneous Concrete and Leveling Services Authority Wide Rebid IFB #300-02-19-REBID

ADDENDUM NO.1

This addendum issued March 22, 2019 becomes in its entirety a part of the Invitation for Bid IFB #300-02-19-REBID as is fully set forth herein:

Item 1: **Q:** I've been reviewing this IFB and just want to clarify your Authority is only looking at pumping for these problems? The reason I ask is our company only specializes in grinding raised sidewalk and curb concrete trip hazards for housing authorities.

A: **No grinding**

Item 2: **Q:** We also charge by the linear foot of the raised areas not the square foot requested. I am just curious if this was also a type of service you were looking for and if so I'd request an option for providing a linear foot rate in this bid.

A: **Only square feet.**

Item 3: **Q:** Is this exclusively concrete (as opposed to asphalt) work ?

A: **Yes**

Item 4: **Q:** Is there a rough "average" size of job ?

A: **Vary by the Authorities needs**

Item 5: **Q:** Is there an estimate what sq foot a large job would be?

A: **No but you will have a days work at least.**

Item 6: **Q:** Would it be possible to visit a few sites including ones with stairs?

A: **A Site visit will be held on Tuesday March 26, 2019 at 10:00 A.M. at Bedford Hope Center, 2305 Bedford Ave, Pittsburgh, PA 15219.**

Item 7: Q: Can you provide an estimated scope of work of concrete leveling? Or, the amount of work you had last year?

A: Approximately 16,889 square feet.

Item 7: The proposal due date is changed to April 5, 2019, time and location remain unchanged at 11:00 AM, at the HACP Procurement Dept., 100 Ross St. 2nd Floor, Suite 200, Pittsburgh, PA 15219.
