Northview Heights Building #74 Upgrades Rebid IFB #600-10-19-REBID

ADDENDUM NO.2

This addendum issued July 11, 2019 becomes in its entirety a part of the Invitation for Bids IFB #600-10-19-REBID as is fully set forth herein:

Item 1: Q: For the MBE/WBE goals, there are not 10 vendors of both MBE/WBE in our area that could provide the materials we are having quoted. Can we submit a statement stating this lack of MBE/WBEs with the Doc 00434 documenting the businesses we did solicit?

A: There are no geographical restrictions on the MBE/WBE goals program; perhaps widening your search for opportunities other than "providing the materials" could increase your participation. If you need help locating certified MBE/WBE firms, please utilize the Pennsylvania Unified Certification Program's (PAUCP) website:
<https://www.dotsbe.pa.gov/PAUCPWeb/paucp/viewHome.do>

Item 2: Q: The required Manpower Plan requests to know who will be assigned to this project. Is there leniency to this list as we do not know a start date for this project if awarded?

A: The project schedule included in the project manual state the construction starts on September 9, 2019 (estimated).

Item 3: Q: On drawing E101, If the new annunciator does not fit in the existing box, do we need to get a similar box for the new annunciator to go in?

A: Please read New Work Keyed Notes 7, 8 & 9 as they address the requirements for this.

Item 4: The proposal due date, time, and location remain unchanged at July 16, 2019, at 2:00 PM, at the HACP Procurement Dept., 100 Ross St. 2nd Floor, Suite 200, Pittsburgh, PA 15219.
