Hazardous Material Abatement Authority Wide RFP #600-20-19

ADDENDUM NO.2

This addendum issued June 26, 2019 becomes in its entirety a part of the Request for Proposals RFP #600-20-19 as is fully set forth herein:

Item 1: Q: I have been reviewing and collecting the information needed for procurements related to mold abatement. Will we still be able to participate if our HAZMAT abatement only consists of mold? There seems to be a lot of lead and asbestos abatement requirements that we don't do.

A: Yes. In general many firms might not have all the expertise and they have options to choose other experts through Sub-Consultants. If the sub-consultants are added in the proposal then follow the RFP's Section IV, Part D for Proposed Staffing and Sub-consultant's responsibilities and qualifications.

Item 1: Q: How do I get access to the Pre-Conference Meeting sign in sheet for Gualtari Manor HAZ-MAT abatement 600 20-19?

A: Once the Pre-Submission Meeting for the Authority Wide Hazardous Material Abatement RFP is complete, the sign-in sheet will be available on our website (www.hacp.org) for viewing and download.

Item 3: The proposal due date, time, and location remain unchanged at July 8, 2019, at 2:00 P.M., at the HACP Procurement Dept., 100 Ross St. 2nd Floor, Suite 200, Pittsburgh, PA 15219.
