This addendum issued May 13, 2020 becomes in its entirety a part of the Invitation for Bids IFB #300-11-20 as is fully set forth herein:

A: 4 of the generators are 3 phase and 3 of the generators are 2 phase. This is specified on the bid sheet.

Item 2: Q: Will offloading the generator at the time of delivery be required?

A: No HACP has the equipment to unload the generators upon delivery.

Item 3: Q: When are these generators required to be delivered by?

A: ASAP once the contract is signed by both parties.

Item 4: Q: Guardian series Generac or equivalent, does this mean a different manufacturer would be accepted, say Kohler?

A: Yes, as long as they are equivalent to the specs in the IFB, including the switch size.
