SCOPE OF WORK

Provide professional environmental services by performing short-term (2-4 day) radon sampling and reporting to document the current radon levels at 129 occupied residential rental units (i.e. 128 family community units and one, 8-story highrise building) located in the Glen Hazel and Hazelwood neighborhoods of the City of Pittsburgh. See Attachment A, Location Map and a List of Buildings and Units for this task order.

These services must be in accordance with all applicable local, state, and federal law and regulations. All services performed must be in compliance with all applicable Federal regulations including, but not limited to, Handicap Accessibility (Section 504), Americans with Disabilities Act (ADA), Uniform Federal Accessibility Standards (UFAS), Davis-Bacon and minimum wage requirements, and Federal procurement requirements. In addition, all services must be performed in compliance with applicable Commonwealth of Pennsylvania laws and regulations and local building code requirements.

Please contact Brandon Havranek at Brandon.Havranek@HACP.org with any questions about the scope.
