Scope of Work

Housing Authority of the City of Pittsburgh (HACP) has identified various items for disposition. To support the HACP's goal of streamlined operations, HACP has decided to reduce its level of inventory through a silent auction process. These items are available for purchase to the general public. Items for sale are various types of electronic equipment (CCan).

Sale will be made to the highest bidder. Items will be sold as-is, with no warranty implied or expressed. Returns are not allowed. Sale is considered "final" once the HACP Procurement Department receives payment.

Please read the following terms and conditions carefully.

1. **Acceptance of Terms and Conditions.** By submitting a bid, the bidder agrees that they have read, fully understand and accept these Terms and Conditions. Once the bids are accepted by the HACP, the winning bidder agrees to pay for and remove the property by the dates and times specified.
2. **Guaranty Waiver.** All property is offered for sale "**AS IS, WHERE IS**". The HACP makes no warranty, guaranty or representation of any kind, expressed or implied, as to the merchantability or fitness for any purpose of the property offered for sale. The Buyer is not entitled to any payment for loss of profit or any other money damages - special, direct, indirect or consequential.
3. **Personal and Property Risk.** Persons attending during inspection, exhibition, sale or removal of goods assume all risks of damage of or loss to person and property and specifically release the HACP from liability therefore.
4. **Inspection.** Bidders may inspect the goods prior to bidding on the following date: **October 23, 2020 from 10:00 am to 11:00 am at 201 Kirkpatrick Street, Pittsburgh, PA 15219.**
5. **Buyer's Notification.** Successful bidders will receive notification via email or telephone at the e-mail address and telephone number indicated on the HACP Bidding Form.
6. **Payment.** Payment in full is due no later than **five (5) working days** from the date of the award letter. Acceptable forms of payment are as follows:
 - Cashier's Check
 - Certified Check
 - Money Order
 - Company Check (with Bank letter guaranteeing payment - **mandatory**)
7. **Checks or Money Orders shall be made payable to the Housing Authority of the City of Pittsburgh.** Payments shall be made at the location listed in the Award Letter.
8. **Default.** Default shall include (1) failure to observe these terms and conditions; (2) failure to make good and timely payment; or (3) failure to remove all items within the specified time. Default may result in termination and suspension from participation in all future sales until the default has been cured. If the Buyer fails in the performance of their obligations, **HACP** may exercise such rights and may pursue such remedies as are provided by law.
