Scope of Work

Provide professional site improvements to provide services in connection with site work for the repair/replacement of missing and damaged brick at the exterior door openings at the Arlington Heights Community. The repair work is at the following buildings and units:

Building 25: units 3006, 3010, 3014, 3018

Building 26: units 3026, 3032, 3038

Building 27: units 3047, 3053, 3059

Building 28: units 3117, 3123, Maintenance 2 (Interior Tile Block)

Building 30 units 3154

Replace any missing, chipped, cracked or spalled bricks and re-point all brick in-fills to match existing mortar. Provide brick type - color, texture, and size to match existing. Once selected, perform small repair in Owner-selected area in place of mockup so owner can verify new materials match existing. The selected contractor will provide all permits, equipment, labor and materials to complete the work. Remove and replace any existing bricks necessary to complete the work or neighboring bricks damaged during normal work operations. Refer to Attachment for the location, type and photos of units.

These services must be in accordance with all applicable local, state, and federal law and regulations. All services performed must be in compliance with all applicable Federal regulations including, but not limited to, Handicap Accessibility (Section 504), Americans with Disabilities Act (ADA), Uniform Federal Accessibility Standards (UFAS), Davis-Bacon and minimum wage requirements, and Federal procurement requirements. In addition, all services must be performed in compliance with applicable Commonwealth of Pennsylvania laws and regulations and local building code requirements
