## Combustion and Hot Water Services Authority Wide Rebid IFB #300-26-21-REBID

### ADDENDUM NO. 2

This addendum issued January 3, 2021 becomes in its entirety a part of the Invitation for Bid IFB #300-26-21-REBID as is fully set forth herein:

**Item 1:** Q: I would like to know if I have to submit all 18 attachments to submit my bid as a non affiliated contractor? (I.E MBE contractor)? Is there just some relevant attachments I need to submit, or do I have to submit all 18?

**A: Bidder's should complete all the required documentation or they risk the potential to be deemed non-responsive.**

**Item 2:** Q: Attachment 1, pricing breakdown, lists estimated hours per year at 442 times 3 years. Are we to include 442 hours per year for use at the HA request, or is it simply your hour estimate?

**A: Please complete the bid sheet as instructed in the IFB. Bidders should enter their hourly rate. Then take that rate and multiply it by 442 hours, then multiply by the # of years (3 for the initial term etc.), then that number goes into the total box. The initial term plus extension option 1 & 2 is your grand total for the bid. This contract will be awarded to the lowest responsive and responsible bidder that is in the best interest of the Authority.**

**Item 3:** The bid due date, time and location remain unchanged at January 11, 2022 at 9:00 AM, at the HACP Procurement Dept., 100 Ross St. 2nd Floor, Suite 200, Pittsburgh, PA 15219.

**Item 4:** The Housing Authority of the City of Pittsburgh will **only be accepting physical bids dropped off in person from 8:00 AM until the closing time of 9:00 AM on January 11, 2022** in the lobby of 100 Ross St. Pittsburgh, PA 15219. Bids may still be submitted electronically:

<https://www.dropbox.com/request/WyOAKREPkLv7mRTqjt8a> and may still be mailed via USPS at which time they will be Time and Date Stamped at 100 Ross Street 2nd Floor, Suite 200, Pittsburgh, PA 15219. All bids must be received at the above address no later than 9:00 AM on January 11, 2022 regardless of the selected delivery mechanism.

END OF ADDENDUM NO. 2
