## **Professional Lead-Based Paint Risk Assessment for the Manchester Neighborhood Rebid 3 Quote Bid**

### **ADDENDUM NO. 6**

This addendum issued February 22, 2022 becomes in its entirety a part of the 3 Quote Bid for Professional Lead Based Paint Risk Assessment for the Manchester Neighborhood as is fully set forth herein:

**Item 1:** Q: We are preparing our quote and noticed the answer to the Q&A states a contract period of a one-year base and one year option. This conflicts with the language in Quote Request “The period of performance will commence upon receipt of the Notice to Proceed and should be completed 60 days thereafter.” Please advise.

**A: The period of performance, which is not the same as the contract period, is the time period in which the work must be completed after the Notice to Proceed is issued. The period of performance can start at any time during the contract period.**

**Item 2:** Q: To clarify, are we to test only deteriorated paint and intact paint on friction and impact surfaces only (per HUD Risk Assessment)?

**A: Yes, please follow the HUD guidelines.**

**Item 3:** The quote due date is changed to March 1, 2022; the time, and location remain unchanged at 10:00 AM. The Housing Authority of the City of Pittsburgh will accept quotes submitted electronically via email to [Samantha.Tirk@hacp.org](mailto:Samantha.Tirk@hacp.org), or via fax at 412-456-5007 Attn: Samantha Tirk
