Scope of Work

HACP has decided to reduce its level of inventory through a silent auction process. These items are available for purchase to the general public. Items for sale are various types of heat trace components and surplus of insulation material.

Sale will be made to the highest bidder. Items will be sold as-is, with no warranty implied or expressed. Returns are not allowed. Sale is considered "final" once the HACP Procurement Department receives payment.

Please read the following terms and conditions carefully.

1. **Acceptance of Terms and Conditions.** By submitting a bid, the bidder agrees that they have read, fully understand and accept these Terms and Conditions. Once the bids are accepted by the HACP, the winning bidder agrees to pay for and remove the property by the dates and times specified.
