OWNER ADVISORY**VENDOR PAYMENTS TO GO ELECTRONIC**

If you already have direct deposit, please disregard this letter.

All vendor payments made by the Housing Authority of the City of Pittsburgh will soon be made electronically via the Automated Clearing House (ACH) process. Payments will be made directly to a checking account or savings account designated by you.

IF YOU ALREADY HAVE DIRECT DEPOSIT, YOU DO NOT NEED TO DO ANYTHING.

Once the process is implemented, your payment will be deposited electronically but you will still receive a stub with the payment information you are accustomed to seeing on the check. ACH electronic payments benefit recipients by:

- Distributing funds to recipients more quickly than checks.
- Depositing funds directly into a recipient's bank account.
- Eliminating lost or stolen checks.
- Increasing security over funds.
- Improving the tracing of all payments.

On the back of this letter is an ACH Payment Authorization Form you will need to complete and return it by email or mail. On the form you must indicate the routing and account number where you want your payments to be deposited. **You must also submit a copy of a voided check, deposit slip, or letter from your bank for verification of the routing and account numbers. Please note that deposit slips may only be used for savings account deposits.**

No information will be accepted over the phone. Any change to the account information requires a new direct deposit authorization form. Account changes may take up to 30 days to process.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they
