## Trash Compactors and Chute Repair REBID

Contractor will acknowledge, as requested within twelve (12) hours and be on site within twenty-four (24) hours of the placement of such call out.

Contractor must have the necessary equipment needed on their service truck . Should the job require major repairs or replacements, a quote will need to be submitted for approval.

Travel/milage will not be paid separately and will be included in the hourly rate for service.

Contractor, upon arrival, will determine the estimated amount of time needed for the repair or service.

A Facility Services Supervisor will provide a “notice to proceed” prior to work commencing.

HACP reserves the right to add or remove locations as deemed necessary for the Authority.

For more information or questions, please contact Corey Mitchell-LaBrie at 412-643-2776 or [Corey.Mitchell@hacp.org](mailto:Corey.Mitchell@hacp.org)
