Scope of Work

Housing Authority of the City of Pittsburgh (HACP) has identified ten (10) vehicles, one (1) forklift, Lots A-G and Miscellaneous items to be sold. To support HACP's goal of streamlined operations, HACP has decided to reduce its level of inventory through a silent auction process. These items are available for purchase from the general public. The items for sale are ten (10) vehicles, one (1) forklift, Lots A-G and Miscellaneous items

Sales will be made to the highest bidder. Items will be sold as-is, with no warranty implied or expressed. Returns are not allowed. Sales are considered "final" once the HACP Finance Department receives payment.

Please read the following terms and conditions carefully.

1. **Acceptance of Terms and Conditions.** By submitting a bid, the bidder agrees that they have read, fully understand and accept these Terms and Conditions. Once the bids are accepted by the HACP, the winning bidder agrees to pay for and remove the property by the dates and times specified.
2. **Guaranty Waiver.** All property is offered for sale "AS IS, WHERE IS". HACP makes no warranty, guaranty or representation of any kind, expressed or implied, as to the merchantability or fitness for any purpose of the property offered for sale. The Buyer is not entitled to any payment for loss of profit or any other money damages - special, direct, indirect or consequential.
3. **Personal and Property Risk.** People attending during inspection, exhibition, sale or removal of goods assume all risks of damage of or loss to person and property and specifically release the HACP from liability.
4. **Inspection.** Bidders may inspect the vehicles prior to bidding on the following date: August 10, 2026, from 10:00 a.m. to 12:00 p.m. **NO EXCEPTIONS** at the Northview Heights Maintenance area (533 Mt. 6. **Consideration of Bid.** The HACP reserves the right to reject any and all bids and to withdraw from sale any of the items listed. HACP employees are strictly forbidden from placing bids and purchasing surplus HACP inventory.
